FRANK GOULD KEEPS SILENT WHEN QUERIED

Declines to Say Whether He
Will Marry, or Has Married,
Edith Kelly.

PARIS, March 9.—Frank Gould de-
clined to receive a reporter who called
today to inquire regarding the report that

he and Miss Edith Kelly, the actress,
either had been or were soon to be mar-
ried.

Mr. Gould's secretary said his employer
knew the purpose of the inquiries and
had authorized him to say that Mr.
Gould refused to discuss the report or to
make any statement whatever.
Mr. Gould but recently arrived from
the Riviera, where he had a string of
houses, which he has now brought to
Paris. He goes to the track daily. He
has taken a large apartment in the Rue
Pierre Charron, with an office basement
where he transacts business.
Mr. Gould has frequently been seen of
late with Miss Kelly, and the belief is
prevailing that they have been married.
The Duke d'Alençon, his brother-in-
law, said tonight that he was ignorant
as to whether Mr. Gould had married
Miss Kelly, but the duchess expressed
the belief that they were not married.

SECRETARY KNOX TURNS DOWN SON AND SECRETLY WEDDED BRIDE

PROVIDENCE, R. I., March 9.—Stand-
ing beside the pretty bride that his fa-
ther, Secretary of State Knox, was re-
fused to receive, Philander C. Knox, Jr.,
tonight admitted that as a result of his
elopement with Miss May Bolet his family
had cut him off, leaving him dependent
upon a legacy and what he can earn him-
self.
"Yes, dad told me yesterday in Wash-
ington that he would give me no more
money, but would let me shift for my-

and her husband to see Secretary Knox
about this matter," she said.

WASHINGTON, March 9.—Philander C.
Knox, Jr., has been cut off with an al-
lowance of about \$100 a month, which his
mother will give him. It was learned here
today on good authority, although no
member of the Knox family would make
any statement on the report.
When young Knox arrived here yester-
day to seek his father's pardon for his
hasty marriage, his bride and her mother
remained at a local hotel, expecting that
they would be received with open arms
by the young man's parents. Such was
not the case, however, so they returned
to Providence.

PHYSICIANS ARE NATURALLY PREJUDICED

against proprietary or advertised medi-
cines, as the sale of these remedies
decrease their incomes.
However, this may be, the general
public is benefited by the use of such
standard medicines as Lydia E. Pink-
ham's Vegetable Compound, with its
wonderful record of thousands of cures
among suffering women. We are very
glad to say, however, that there are
hundreds of honest physicians in the
United States who do not hesitate to
recommend such medicines.
